

Dobro Dosil, Welcome,

we are delighted to welcome you in our house. Our tavern, in typical Istrian style, was opened in March 2007. Our restaurant is conveniently located in Žbandej about 10 km east of Porec, in a quiet side street.

As a family we offer freshly prepared Istrian specialties. On order we serve them well as the Istrian roast under the bell. For groups from 20 people we are can prepare them to also suckling pig or lamb on the grill.

We are available daily from 10:00 AM to 24:00 PM. Feel free to call us with any questions or special requests.

For various dishes we also offer small portions.

Our restaurant is popular with locals as well as guests from all over the world. So, evening after evening gives a colorful mix of cultures.
